# CELEBRATING 30 YEARS WITH YOU

2021 marks the 30 Year Anniversary of Footprints. We are very pleased to be celebrating this milestone and value all who are sharing this special year with us, whether you have been with us for a short time or a long time.

An organisation such as ours, does not have the longevity and success that we have experienced without certain qualities. This year we showcased these

qualities through the eyes of our most valuable members — our clients, staff and volunteers as we told their stories. These stories highlight the relationships that form the foundations of Footprints.

We hope you enjoyed them as they were unveiled throughout 2021 and we hope they shine a light on the valuable contribution Footprints makes to the community.
