

# FOOTPRINTS COMMUNITY DISASTER RECOVERY PLAN

Footprints Community have a Disaster Recovery Plan (DRP).

Why do we need a **Disaster Recovery Plan**?  
We are all vulnerable to natural and other disasters, such as:

Our DRP is a guide in the event of a disaster. It aims to:

- Minimise disruption and ensure safety for all
- Minimise financial loss and
- Return Footprints services back to normal as quickly as possible.

In the event of a disaster, the plan will be carried out and you will be contacted as needed, updates will be provided on our website, social media and via SMS.

Speak to your main worker if you would like help to complete an emergency plan, including changes to supports in the event of a disaster.
