

Bequests

Have you considered leaving a gift to Footprints Community in your will?

Your legacy will allow Footprints to reach more people who are in need of support in Queensland and northern New South Wales.

There are many ways your bequest can make an impact.

You can choose to support a specific program or direct your gift to the Footprints service that needs the most financial support.

Some donors leave bequests as a way of honouring or remembering a loved one who has been supported by Footprints Community.

For more information about bequests and how to word a bequest, please call Footprints on: 1800 FOOTPRINTS (1800 366 877) or 07 3252 3488.

We would love to hear from you.
