

STAND UP, STEP OUT (SUSO)

The Stand Up, Step Out program, known as SUSO, is an initiative providing mobile outreach support and services from a fitted-out mini van.

The service assists vulnerable people who are homeless or at risk of homelessness and experiencing social / financial hardship in the outer suburbs of Brisbane.

SUSO provides ongoing flexible outreach support, a safe place to access laundry and has a dedicated team to support people to access the right services and supports.

The connection that the SUSO team provide builds meaningful relationships and has long-term community impact.

THE SUSO VAN OFFERS:

Support and a chat

SUSO relies on donations from local community groups, businesses and individuals to stay on the road and to provide goods to people who access the service.

Without your ongoing support and generous donations this vital service could not continue. As a registered charity, donations of \$2 or more are tax deductible.
